Questions

The Council is seeking responses on key issues. Focused questions appear in bold boxes throughout the Strategic Growth Options document. These questions are summarised in this consultation questionnaire. More information can be found at **www.brentwood.gov.uk/localplan**.

Please use an additional sheet if necessary. Please note that all responses will be published online.

Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes

Comments

Q2: Do you agree with the issues raised within each of these areas?

Yes

Comments

Q3: Do you have any comments on the appropriateness of particular sites? Yes

Comments

If the development of the village leads to more people and cars without improvements to roads and bus services then it will not work. On the other hand we do not want years of heavy lorries, roads being dug up and noise whilst the development goes on.

Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

Comments

Dunton Garden Village

? Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas? Yes

Comments

? Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

Comments

Brownfield sites within villages only.

? Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network? Yes

Comments

? Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development? Yes No

Comments

We could do with more choice locally but as the village is a Conservation Area this

would be difficult.

Comments

Difficult as it is mainly fields already
