? Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes  No

**Comments**

I strongly object to building on any green belt land, this is outrageous we do not need all this housing.

? Q2: Do you agree with the issues raised within each of these areas?

Yes  No

**Comments**

? Q3: Do you have any comments on the appropriateness of particular sites?

Yes  No

**Comments**

Building on Brown field site for local Brentwood people is fine, but there is absolutely no need to build on green belt land.

? Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

**Comments**

There is absolutely no capacity for further traffic on the A127 and building more houses along this corridor will create grid lock.

?

Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas?

Yes  No

Comments

It is totally wrong and uneasy building on green belt land along this corridor.

?

Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

Comments

Most of the growth would be for people outside the Brentwood Area. There is no need for ~~the~~ far excessive housing proposed.

?

Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network?

Yes  No

Comments

Brentwood has very high employment rates, we don't need new sites.

?

Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development?

Yes  No

Comments

?

Q9: Are there opportunities for more open space provision in the area where you live?

Yes  No

?

?

Q12: Have we considered the main infrastructure issues? Are there other important issues to consider? Yes  No

**Comments**

Brentwood is a nice place to live  
your proposals would make it an unpleasant  
Place to live
