Questions

The Council is seeking responses on key issues. Focused questions appear in bold boxes throughout the Strategic Growth Options document. These questions are summarised in this consultation questionnaire. More information can be found at www.brentwood.gov.uk/localplan.

Please use an additional sheet if necessary. Please note that all responses will be published online.

? Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes No

Comments

? Q2: Do you agree with the issues raised within each of these areas?

Yes No

Comments

? Q3: Do you have any comments on the appropriateness of particular sites?

Yes No

Comments

? Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

Comments

No opinion

? Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas? Yes No

Comments

No opinion

? Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

Comments

It is preferable to use Brownfield sites over Greenfield sites. Once the Greenfield sites are gone they can never be reclaimed, it is the Greenfield sites that give the area its character.

? Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network? Yes No

Comments

This would keep commercial vehicles off small and unsuitable roads and out of town centres.

? Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development? Yes No

Comments

Having seen the demise of the other town centres due to expansion of out of town retail parks we need to consider our town centre first otherwise Brentwood would suffer the same fate.

? Q9: Are there opportunities for more open space provision in the area where you live?

Yes No

Comments

Providing our open spaces are not used for development.

? Q10: Please rate the level to which you value the landscape near where you live (on a scale of 1 to 5), as compared to other areas within Brentwood Borough, for the following aspects:

Aspect:	Very Low	Low	Average	High	Very High
Scenic Beauty / Attractiveness	1	2	3	4	5
Outdoor Recreation / Leisure Use	1	2	3	4	5
Wildlife Interest	1	2	3	4	5
Historic Interest	1	2	3	4	5
Tranquility	1	2	3	4	5
Other – please specify: <i>Community Spirit</i>	1	2	3	4	5

? Q11: To what extent do you think the following are present in the landscape near where you live (on a scale of 1 to 4):

Aspect:	Absent	Occasional	Frequent	Predominant
Houses	1	2	3	4
Commercial / Industrial buildings	1	2	3	4
Nature Reserves / Wildlife	1	2	3	4
Farmland	1	2	3	4
Woodland	1	2	3	4
Degraded / Derelict / Waste land	1	2	3	4
Infrastructure (Road / Rail / Pylons etc.)	1	2	3	4
Leisure / Recreation Facilities	1	2	3	4
Other – please specify:	1	2	3	4

? Q12: Have we considered the main infrastructure issues? Are there other important issues to consider? Yes No

Comments

The need for maintaining the character of a village, including its history have been ignored along with the quality of life enjoyed by its residents. The councils record in Blackmore has been very poor, having closed the permanent sites of the library and Community Centre and still failing to meet the needs of the local children and young adults.

? Q13: What do you think the priorities for infrastructure spending should be?

Comments

The need to improve the roads.

Thank you for taking the time to complete this questionnaire

Please ensure that you return comments to the Council by 5pm on Tuesday 17 February 2015 (see page 1 for details)
