**Dear Sir,**

**Sorry to bother you but I have just read in "Made in Essex" paper, the Country park plan.**

**Usually a silent tax payer I must have a say on this matter where do I sign? We cannot afford to lose this delightful park, so near, not dangerous like walking to Weald, not crowded like Thorndon. Parks have been been a life saver for me and my handicapped son, to keep him calm he needs to walk, reduces anxiety for us both, safe freedom for us both.**

**We use the path from Sawyers hall lane to Shenfield and beyond, this one has a relatively dry path for bad weather, fields to dream in for the summer, I am keen to petition for this park.**

**I did try to view on line the local development plan at [brentwood.gov.uk](http://brentwood.gov.uk) but got lost.**

**If there is to be a petition, please guide me to it.**

**Yours sincerely**
