?

Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes No

Comments

WE DO NOT HAVE THE INFRASTRUCTURE
ie. SCHOOLS / HEALTH SERVICES / TRANSPORT.
WATER / WASTE SERVICES

?

Q2: Do you agree with the issues raised within each of these areas?

Yes No

Do not understand the question!

Comments

which issues? Could not
work it out from web-site

?

Q3: Do you have any comments on the appropriateness of particular sites?

Yes No

Comments

They all ^{will} spoil the Peacehaven village
and the reason I chose to live
here. I wanted to be part of such a
community and not a town.

?

Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

Comments

I would prefer the A127 corridor
as it has better access links with
services + roads. Would prefer ~~rather~~
reality!

?

Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas?

Yes No

Comments

As villages are rural + unique.
If they grow they change identity
from a village to a small town. This will
be irreversible + change Britain.

?

Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

Comments

Never good to release greenfield
sites. They were protected for a
reason. Not happy with brownfield sites
either really. Not good places to build,

?

Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network?

Yes No

Comments

Need to be ~~at~~^{near} major roads +
railways.

?

Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development?

Yes No

Comments

Do not want village life to disappear
for future generations.

?

Q9: Are there opportunities for more open space provision in the area where you live?

Yes No

Comments

Need to keep our green fields for recreation.

?

Q10: Please rate the level to which you value the landscape near where you live (on a scale of 1 to 5), as compared to other areas within Brentwood Borough, for the following aspects:

Aspect:	Very Low	Low	Average	High	Very High

Aspect:	Absent	Occasional	Frequent	Predominant
Houses	1	2	3	4
Commercial / Industrial buildings	1	2	3	4

DOCTORS / SCHOOLS

? Q12: Have we considered the main infrastructure issues? Are there other important issues to consider? Yes No

Comments

Lack of Doctors, room in schools, shops, small lanes, secondary schools are in Brentwood, time taken for fire/police ambulance to reach the area. Lack of public transport - you have shut the library already. water/waste. Lack of parking for lanes

? Q13: What do you think the priorities for infrastructure spending should be?

Comments

Retain our Post Office.
Bring back the library & CC shops.
