**BRENTWOOD
BOROUGH COUNCIL**

Brentwood Borough Local Plan

Strategic Growth Options Consultation

January 2015

Consultation questionnaire

This consultation questionnaire relates to the Brentwood Local Plan Strategic Growth Options Consultation and is provided for you to make comments. Please take the opportunity to read the consultation document before filling in this form and returning to:

Planning Policy Team, Brentwood Borough Council Town Hall, Brentwood, Essex, CM15 8AY
or by email to planning.policy@brentwood.gov.uk

Comments need to be received by 5pm on Tuesday 17 February 2015

If you need any help completing this form please contact the Planning Policy Team using the contact details given above or by telephoning 01277 312620.

Personal Details

Questions

The Council is seeking responses on key issues. Focused questions appear in bold boxes throughout the Strategic Growth Options document. These questions are summarised in this consultation questionnaire. More information can be found at www.brentwood.gov.uk/localplan.

Please use an additional sheet if necessary. Please note that all responses will be published online.

? Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes No

Comments

Traffic on A127 at capacity (during rush hour extremely busy). There is not much room for expansion on A127, but the A12 would provide more room for widening. The flooding issue is a priority for improvement.

? Q2: Do you agree with the issues raised within each of these areas?

Yes No

Comments

→ See above - written there in error

? Q3: Do you have any comments on the appropriateness of particular sites? Yes No

Comments

Sites 020 & 021 - industrial sites seem to be the only appropriate areas for development. The green field sites are not appropriate. We who live in this village (for us for 46 years) want a village environment to remain.

? Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

Comments

Site 200
Sites 020 & 021
Consider the clay soil re flooding.

? Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas? Yes No

Comments

? Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

Comments

Develop brownfield sites.
Developing greenfield sites around west London would be detrimental in so many ways.

? Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network? Yes No

Comments

Public transport will possibly be required to a greater extent than now - especially buses.

? Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development? Yes No

Comments

See comment above re buses.

? Q9: Are there opportunities for more open space provision in the area where you live?

Yes No

Comments

Improvement on recreational field/park in Cadogan Avenue. If the school needs enlargement there is scope in the ~~small~~ small area adjacent to the school behind the houses in Cadogan Ave & Thorndon Avenue.

? Q10: Please rate the level to which you value the landscape near where you live (on a scale of 1 to 5), as compared to other areas within Brentwood Borough, for the following aspects:

Aspect:	Very Low	Low	Average	High	Very High
Scenic Beauty / Attractiveness	1	2	3	4	5
Outdoor Recreation / Leisure Use	1	2	3	4	5
Wildlife Interest	1	2	3	4	5
Historic Interest	1	2	3	4	5
Tranquility	1	2	3	4	5
Other – please specify: <i>Sense of Community</i>	1	2	3	4	5

? Q11: To what extent do you think the following are present in the landscape near where you live (on a scale of 1 to 4):

Aspect:	Absent	Occasional	Frequent	Predominant
Houses	1	2	3	4
Commercial / Industrial buildings	1	2	3	4
Nature Reserves / Wildlife	1	2	3	4
Farmland	1	2	3	4
Woodland	1	2	3	4
Degraded / Derelict / Waste land	1	2	3	4
Infrastructure (Road / Rail / Pylons etc.)	1	2	3	4
Leisure / Recreation Facilities	1	2	3	4
Other – please specify:	1	2	3	4

? Q12: Have we considered the main infrastructure issues? Are there other important issues to consider? Yes No

Comments

The infrastructure, ie roads, school capacity, extra stopping trains, more doctors surgeries, to mention a few, needs to be completed, or started & thought about FIRST before anything else

? Q13: What do you think the priorities for infrastructure spending should be?

Comments

All community facilities should be prioritised. This is an all or nothing situation.

will this have an impact on Council Tax?

Thank you for taking the time to complete this questionnaire

Please ensure that you return comments to the Council by 5pm on Tuesday 17 February 2015 (see page 1 for details)
