?

Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes No

Comments

MAINLY

?

Q2: Do you agree with the issues raised within each of these areas?

Yes No

Comments

We feel traffic congestion is getting worse and that new housing should be built within easy access of public transport.

?

Q3: Do you have any comments on the appropriateness of particular sites? Yes No

Comments

We do not think it appropriate to build more houses in small rural villages like Blackmore because it will increase road congestion.

?

Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

Comments

Beunton Garden Suburb round the ideal location because of all the amenities that will be built within it.

?

Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas?

Yes No

Comments

This will only increase traffic on an already congested road unless money is available to widen the road.

?

Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

Yes No

Comments

People choose to live in our beautiful small villages because of the rural lifestyle and extra housing would ruin this and increase traffic on our narrow country lanes.

Brownfield sites within Green Belt could be considered but only as a last resort.

?

Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network?

Yes No

Comments

~~People choose to live in~~
The best approach would be to allocate new sites close to public transport as our roads are already too congested.

?

Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development?

Yes No

Comments

More retail shops in Bretwood High Street rather than bars and eating places.

Q9: Are there opportunities for more open space provision in the area where you live?

Yes No

Comments

our village has good open space recreational facilities
