Questions

The Council is seeking responses on key issues. Focused questions appear in bold boxes throughout the Strategic Growth Options document. These questions are summarised in this consultation questionnaire. More information can be found at www.brentwood.gov.uk/localplan.

Please use an additional sheet if necessary. Please note that all responses will be published online.

?

Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes No

Comments

Many areas are not properly finalised. See p 6 of the consultation document where much information is stated as being 'forthcoming' therefore proper comment cannot be made on these at this stage

?

Q2: Do you agree with the issues raised within each of these areas?

Yes No

Comments

?

Q3: Do you have any comments on the appropriateness of particular sites? Yes No

Comments

Sunton Garden Suburb should be supported to relieve housing pressure on Brentwood. Therefore sites close to the A127 seem appropriate to be chosen for development

?

Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

Comments

037A 037B 037C
020 021 and 200

?

Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas?

Yes No

Comments

Providing proper and adequate access to the A12 is made. Otherwise Brentwood town centre will become more crowded

?

Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

Yes No

Comments

?

Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network?

Yes No

Comments

The highway network needs to be improved and properly maintained. This applies particularly to the rural roads which are currently breaking up at the edges because of big lorries and vans.

?

Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development?

Yes No

Comments

Q9: Are there opportunities for more open space provision in the area where you live?

Yes No

Comments

Q10: Please rate the level to which you value the landscape near where you live (on a scale of 1 to 5), as compared to other areas within Brentwood Borough, for the following aspects:

Aspect:	Very Low	Low	Average	High	Very High
Scenic Beauty / Attractiveness	1	2	3	4	5
Outdoor Recreation / Leisure Use	1	2	3	4	5
Wildlife Interest	1	2	3	4	5
Historic Interest	1	2	3	4	5
Tranquillity	1	2	3	4	5
Other – please specify:	1	2	3	4	5

Q11: To what extent do you think the following are present in the landscape near where you live (on a scale of 1 to 4):

Aspect:	Absent	Occasional	Frequent	Predominant
Houses	1	2	3	4
Commercial / Industrial buildings	1	2	3	4
Nature Reserves / Wildlife	1	2	3	4
Farmland	1	2	3	4
Woodland	1	2	3	4
Degraded / Derelict / Waste land	1	2	3	4
Infrastructure (Road / Rail / Pylons etc.)	1	2	3	4
Leisure / Recreation Facilities	1	2	3	4
Other – please specify:	1	2	3	4

? Q12: Have we considered the main infrastructure issues? Are there other important issues to consider? Yes No

Comments the roads in the area in which I live are inadequate and would be more so with further development. Maintenance is very poor on rural roads with edges breaking down and frequent pot holes. These matters should be resolved before more development.

? Q13: What do you think the priorities for infrastructure spending should be?

Comments
Roads - upgrading and maintenance
Drainage - both surface water and sewerage disposal.

Thank you for taking the time to complete this questionnaire

Please ensure that you return comments to the Council by 5pm on Tuesday 17 February 2015 (see page 1 for details)
