This consultation paper was delivered on February 12th or 13th, giving totally insufficient time to adequately consider the issues. The delivery of paper copies at such a late date shows a complete lack of consideration for those members of the community who have little or no access to computer technology. This does not prevent the Borough Council from expecting prompt payment of taxes.

Thank you for taking the time to complete this questionnaire

Please ensure that you return comments to the Council by 5pm on Tuesday 17 February 2015 (see page 1 for details)
