Questions

The Council is seeking responses on key issues. Focused questions appear in bold boxes throughout the Strategic Growth Options document. These questions are summarised in this consultation questionnaire. More information can be found at www.brentwood.gov.uk/localplan.

Please use an additional sheet if necessary. Please note that all responses will be published online.

Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes No

Comments

Q2: Do you agree with the issues raised within each of these areas?

Yes No

Comments

Q3: Do you have any comments on the appropriateness of particular sites? Yes No

Comments

I think you have highlighted the problems of each area very well. As a volunteer for Breckwood Community Transport, I know only too well about the transport problems in the north of the borough!

Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

Comments

The most appropriate ^{location} ~~site~~ for growth would seem to be the A127 corridor although judicious use of brown field sites in the A12 corridor could be an option.

Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas?

Yes No

Comments

Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

Comments

I think that it is obviously better to develop brownfield sites but it might be necessary in some cases to use some greenfield sites - possibly where they overlap.

Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network?

Yes No

Comments

Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development?

Yes No

Comments

Q9: Are there opportunities for more open space provision in the area where you live?

Yes No

Comments

Wildlife Interest	1	2	3	4	5
Historic Interest	1	2	3	4	5
Tranquility	1	2	3	4	5
Other – please specify:	1	2	3	4	5

Q11: To what extent do you think the following are present in the landscape near where you live (on a scale of 1 to 4):

Aspect:	Absent	Occasional	Frequent	Predominant
Houses	1	2	3	4
Commercial / Industrial buildings	1	2	3	4

Leisure / Recreation Facilities	1	2	3	4
Other – please specify:	1	2	3	4

? Q12: Have we considered the main infrastructure issues? Are there other important issues to consider? Yes No

Comments

I think you have prioritised all the main infrastructure issues

? Q13: What do you think the priorities for infrastructure spending should be?

Comments

The priorities for spending are as you list them in the consultation document i.e. Education, Healthcare, Transport, Community Facilities, Green Infrastructure

You have a difficult balancing act providing homes for the future and protecting our lovely surroundings.
Good Luck!
