? Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes No

Comments

but I do not want to see the villages developed particularly Blackmore

? Q2: Do you agree with the issues raised within each of these areas?

Yes No

Comments

? Q3: Do you have any comments on the appropriateness of particular sites?

Yes No

Comments

We need to focus on areas where there is sufficient existing infrastructure i.e. A12 corridor + A127 including Dunston

? Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

Comments

Yes, absolutely! To create a purpose built environment with all necessary amenities is 100% better than an approach which changes for ever the look and feel of our villages

?

Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas?

Yes No

Comments

?

Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

Comments

No to Green Belt release Yes to development
brown field sites

?

Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network?

Yes No

Comments

Absolutely essential to follow this approach

?

Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development?

Yes No

Comments

No more bars & restaurants

? Q9: Are there opportunities for more open space provision in the area where you live?

Yes No

Comments

Blackmore is perfectly catered for. Which is why we do not want any buildings

Other – please specify:	1	2	3	4

?

Q12: Have we considered the main infrastructure issues? Are there other important issues to consider?

Yes No

Comments

area A needs to come absolutely at the bottom of your list of priorities. Blacknow Village has no capacity within its infrastructure for any further development.

?

Q13: What do you think the priorities for infrastructure spending should be?

Comments

A127 Colldon including your very good idea of making Duxton Garden Suburb.
