Please use an additional sheet if necessary. Please note that all responses will be published online.

? Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth? Yes No

Comments

I consider North of the Borough is not suitable because of landscape & lack of transport

? Q2: Do you agree with the issues raised within each of these areas? Yes No

Comments

? Q3: Do you have any comments on the appropriateness of particular sites? Yes No

Comments

To build on plots 143, 070, 224, 188 in Dodinghurst I consider unsuitable, as this could lead to further development of the Green belt, and the character of the village would be changed forever.

? Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

Comments

~~To build on plots 143, 070, 224, 188 in Dodinghurst~~
~~I consider~~
Dunton

Yes No

Comments

Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?
