Questions

The Council is seeking responses on key issues. Focused questions appear in bold boxes throughout the Strategic Growth Options document. These questions are summarised in this consultation questionnaire. More information can be found at www.brentwood.gov.uk/localplan.

Please use an additional sheet if necessary. Please note that all responses will be published online.

? Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

Yes No

Comments

BH. future development should focus on B+C where there is infrastructure to support the housing requirement. This is not the case for the villages

? Q2: Do you agree with the issues raised within each of these areas?

Yes No

Comments

? Q3: Do you have any comments on the appropriateness of particular sites?

Yes No

Comments

Blackmore Village does not have the ability to cope with further development - ie The school has a waiting list already. The roads are inadequate.

? Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

Comments

A new purpose built development e.g. Dinton garden suburb has to be the way forward to cope with the amount of houses required.

? Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas? Yes No

Comments

? Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

Comments

Greenfield sites must be kept out of any future planning at all costs.
Brownfield sites could be considered where appropriate

? Q7: To enable future employment need to be met do you agree that the most sustainable approach is to allocate new sites close to the strategic highway network? Yes No

Comments

absolutely yes. The existing roads can't cope -

? Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development? Yes No

Comments

No more bars - Brentwood is a no-go area for most people at night.
Better balance of amenities is required.

? Q9: Are there opportunities for more open space provision in the area where you live?

Yes No

Comments

We are adequately catered for the village and we want to preserve what we have.

?

Q12: Have we considered the main infrastructure issues? Are there other important issues to consider?

Yes No

Comments

Just to underline previous comments including villages such as Blackmore is not the way forward.

?
