Q1: Do you agree with the broad areas, for the purpose of considering approaches to growth?

No

**Comments**

I do not agree with the suggested growth of the villages in the North of the Borough. Their facilities, particularly schools, are already under pressure. There is a lack of infrastructure, including public transport.

Q2: Do you agree with the issues raised within each of these areas?

Yes

No

Q4: Given the greater capacity for growth along the A127 corridor, which of the sites put forward do you think is the best location for growth?

**Comments**

West Horndon – it has brownfield land and a railway station

Q5: Should the A12 corridor accommodate growth by releasing sites on the edge of urban areas?

Yes

**Comments**

Q6: In order to provide for local need is it preferable for Greenfield sites on the edge of villages to be released, or to develop brownfield sites (both within the Green Belt)?

**Comments**

I think that brownfield sites should be developed, to limit urban sprawl.

Yes

**Comments**

Q8: In order to ensure that the Town Centre remains economically sustainable, do you agree that a "Town Centre First" approach should be taken to retail development?
