Comments

Quality of life, enjoying greenery of a natural environment
Safety for our children to grow up more free
Not a built up area - this is why we moved to Blackmore, Wollard Way

Q13: What do you think the priorities for infrastructure spending should be?

Comments

Don't know

These questions are very biased and vague.

I do not want Wollard Way - the Braunfield area of Greenbelt to be developed / built on!

This will devastate us. We moved here for the greenery & views. This will devalue our homes, affect our children's freedom and security.

A close made into a large road would be categorically wrong and devastating.

All the children love watching the horses, cars & wildlife in the field next to us; they play out with no through traffic.
