Comments (please use additional sheet if required):

I back onto the Green Belt Land, this ground is not suitable for housing, due to the flooding. I was flooded in 1958 and a near thing in 1981 and Christmas 2012, it would take up the surface which is needed to drain the land, also the culverts under the Railway would not cope. This is a small village and the development would swamp it, also the 127 and surrounding roads would not take the traffic.
