Stapleford Abbots Parish Council wish to comment with regard to policy DM 28:  
Gypsy & Traveller Provision.

We have long been supporting Navestock Parish Council as we are a bordering Village that is being destroyed by the current attitude to the G & T settlements in this area.

Stapleford Abbots is being totally surrounded by these illegal settlements as Brentwood & Havering Councils are allowing settlements to go unchallenged and it appears that they are prepared to leave the sites as they are positioned to the extreme of the Boroughs well away from the main towns (i.e. Brentwood & Romford)

It is noted from the Brentwood Draft Local plan presented at a recent Navestock meeting (at which we were represented) the Council's figures for G & T's as shown are ridiculously inaccurate in every way & frankly make the presentation 'Totally Failed' and brings into question the whole professionalism of the document

We implore Brentwood to start reviewing this position URGENTLY and with full commitment, as at present it is causing no end of local problems and serious concerns especially following the previous & most recent violence.
