Comments (please use additional sheet if required):

The Brentwood Local Plan (2015-2030), with regard to the village of West Horndon, seems to have been devised with absolutely no local knowledge of the area (indeed, there has been no consultation with the village in the preparation of this new plan), or a proper investigation of the devastating impact that the plan would have on the village and its environs: I am sure that the plan looked feasible on paper, but is not feasible in operation.

Little regard has been paid to the impact on the quality of life of current (and future) residents in West Horndon, or of those in Herongate and Ingrave who would also be seriously affected by the proposed plan.

The residents of West Horndon are not against sensible and subtle development around the village, but the current Local Plan 2015-30 would create an overwhelmingly detrimental impact on the village and the surrounding environment.

I object to the areas of the Brentwood Local Plan relating to West Horndon for the reasons set out in the attached document.
