Comments (please use additional sheet if required):

DM 23/18 Support mixed housing development, i.e. elderly and small family / first time buyers of 2 bedroom with own parking spaces for elderly + others. Elderly many drive for some years, have visitors, cars etc who need to access easily.

DM 23/21 Object. Too large - too many dwellings, too many extra people for facilities in village of parking, surgery, schools too far from station for pedestrians. More cars accessing parking. Current cafe a very much appreciated facility by locals and visitors.

DM 28 / Deep Dell Park. Object unless all those who buy a piece of open belt and need local facilities same as travellers can be treated the same. I have relatives who would like to move here to help.

We have nothing against present residents as individuals but everyone should be able to be assured of being treated + considered in the same way whatever their family history if they are law abiding citizens. What is good enough + accessible to one should be seen as good enough and accessible to all who can afford it and live as a constraint. Law abiding citizens.
